

GDPR

Dextrum Fulfillment, a.s. complies with GDPR

- We adhere to valid legislature
- We create the principles for the protection of the personal data of our clients
- We provide open information about how we process personal data

Which personal data do we collect and process?

We process the following personal data, obtained from publicly available sources, even without your consent in order to identify individual business entities:

- Name, surname
- Phone number, email address

For our partners we process the data of physical subjects/persons:

- Name, surname
- Phone number, email address
- Subject's address or Delivery address

All additional data that we process will be sent to you upon request, based on the form of your collaboration with our company.

On what legal grounds do we process your personal data?

1. contractual performance
2. meeting the legal obligations of an administrator
3. protection of critically important interests of data entities or third parties
4. tasks that are in the public interest or exercising the authority of public bodies
5. justified interests of the administrator or third parties
6. consent to the process of data for marketing purposes, which can be revoked at any time

How do we obtain personal data?

- directly from the client, from publicly accessible registers, including information from social networks and the internet that the client themselves publish, from third-party databases
- from the order we receive from you

We provide the personal data necessary to deliver the shipment based on the order to third parties (carriers).

What are your rights?

- based on your request you will be informed about your personal data, without unnecessary delay and at any time
- we will immediately inform you about any security breach involving your personal data
- you have the right to have your personal data deleted or updated
- you can raise objections against or restrict the processing of your personal data
- your consent is voluntary and can be either completely or partially revoked at any time
- however, this does not affect our right to process those personal data that we are obliged to keep even without your consent, as per applicable laws.

How can you exert your rights?

- We would like to let you know that, as per valid legislature, we may ask you to prove your identity in a suitable way.
- There are 2 ways you may be asked to prove your identity, either with a verified signature or via a personal meeting involving your authorized person at the reception of Dextrum Fulfillment, a.s., Kirilovova 181, 739 21 Paskov (for identification, we will need your ..., which we will be processing for a period of 4 years in view of our justified interests related to the protection of our rights and property).
- Dextrum Fulfillment, a.s., is authorized to request the compensation of costs arising from the provision of personal data related to a request for the provision of personal data. If rights or obligations stipulated by law are violated, you may demand compensation.
- If you have any questions, you are welcome to call us at +420 602 106 934 or visit us at Kirilovova 181, 739 21 Paskov, Czech Republic. You can also contact us via our email address business@dextrum.cz.

COOKIES

By using our website, mobile website and mobile apps, you agree with the use of Cookies in compliance with the following principles:

- The web portals of Dextrum Fulfillment, a.s. do not identify the users of these websites, but do use Cookies to generate anonymous statistics about the use of the website. Cookies are used for the Google Analytics tool. There are no sensitive or personal data in our Cookies. We collect information about the devices or browsers used to access these websites, and about how you interact with these websites.
- We use Cookies for various reasons, such as allowing you to effectively navigate between pages, memorizing your preferences and in general improve your browsing experience. We use Cookies not only to find out how you use our websites, but also to make sure that all ads you see on our or other pages are more relevant for you and your interests and to prevent scams and identify these to provide you with greater security. These cookies do not collect identifying information.

- Google Analytics services are expanded with associated advertising functions offered by Google, notably – overview of the number of displays in Google’s advertising network, remarketing (display of advertising in the content network based on viewed products), expanded demographic overviews (reporting of anonymous demographic data).
- The service is provided by Google, Inc. (hereinafter “Google”). Information about the usage of the website together with the contents of the Cookies (<https://policies.google.com/technologies/cookies?hl=cs>) will be transferred by Google and stored on servers in the United States.
- Google will use this information to evaluate the use of the website and create reports on its activities intended for its operators and to provide further services related to activities on the website and the use of the internet as a whole. Google can also provide this information to third parties, if required by law or if such third parties process the information for Google. More information about the processing and use of data is available in the business terms and conditions of Google.
- If you do not consent to the use of Cookies, deactivate them using the instructions at <http://www.aboutcookies.org/how-to-delete-cookies/>
